Communications Department Shines!

This semester has been a great one for the communication department and the Communication Skills Center. The CSC, in room 264, is a service for business students wanting feedback on their writing projects, anything from resumes to short or long reports. The CSC provides one-on-one tutorials on all types of business documents to give feedback from an objective reader to ultimately create a successful document. The service is free and is available to all TTU business students.

Faculty are strongly encouraged to send students to the CSC for help with their writing. Questions: contact Grace Drennon at 2-3166, or grace.drennon@ttu.edu.

Also, we are very excited to welcome Cindy Conn as Director of Managerial Communications this fall. Cindy is coming here from Virginia Commonwealth University, and we look forward to her contributions to the department!

Congratulations Faculty and Staff!
